May 2022:

MTEK  
Microsoft  
Co-sell  
partner

## MBrain – a system for a sustainable future

MBrain is built by humans for humans and supports:

- › sustainability reporting and end-to-end traceability.
- › elimination of waste on many levels.
- › global companies to produce locally.

# Elsa

## Backend utvecklare

- › Intresset för programmering
- › Hur jag hittade till MTEK
- › Det bästa med att jobba på MTEK

Sara

Drömmen om  
ett liv på  
landet

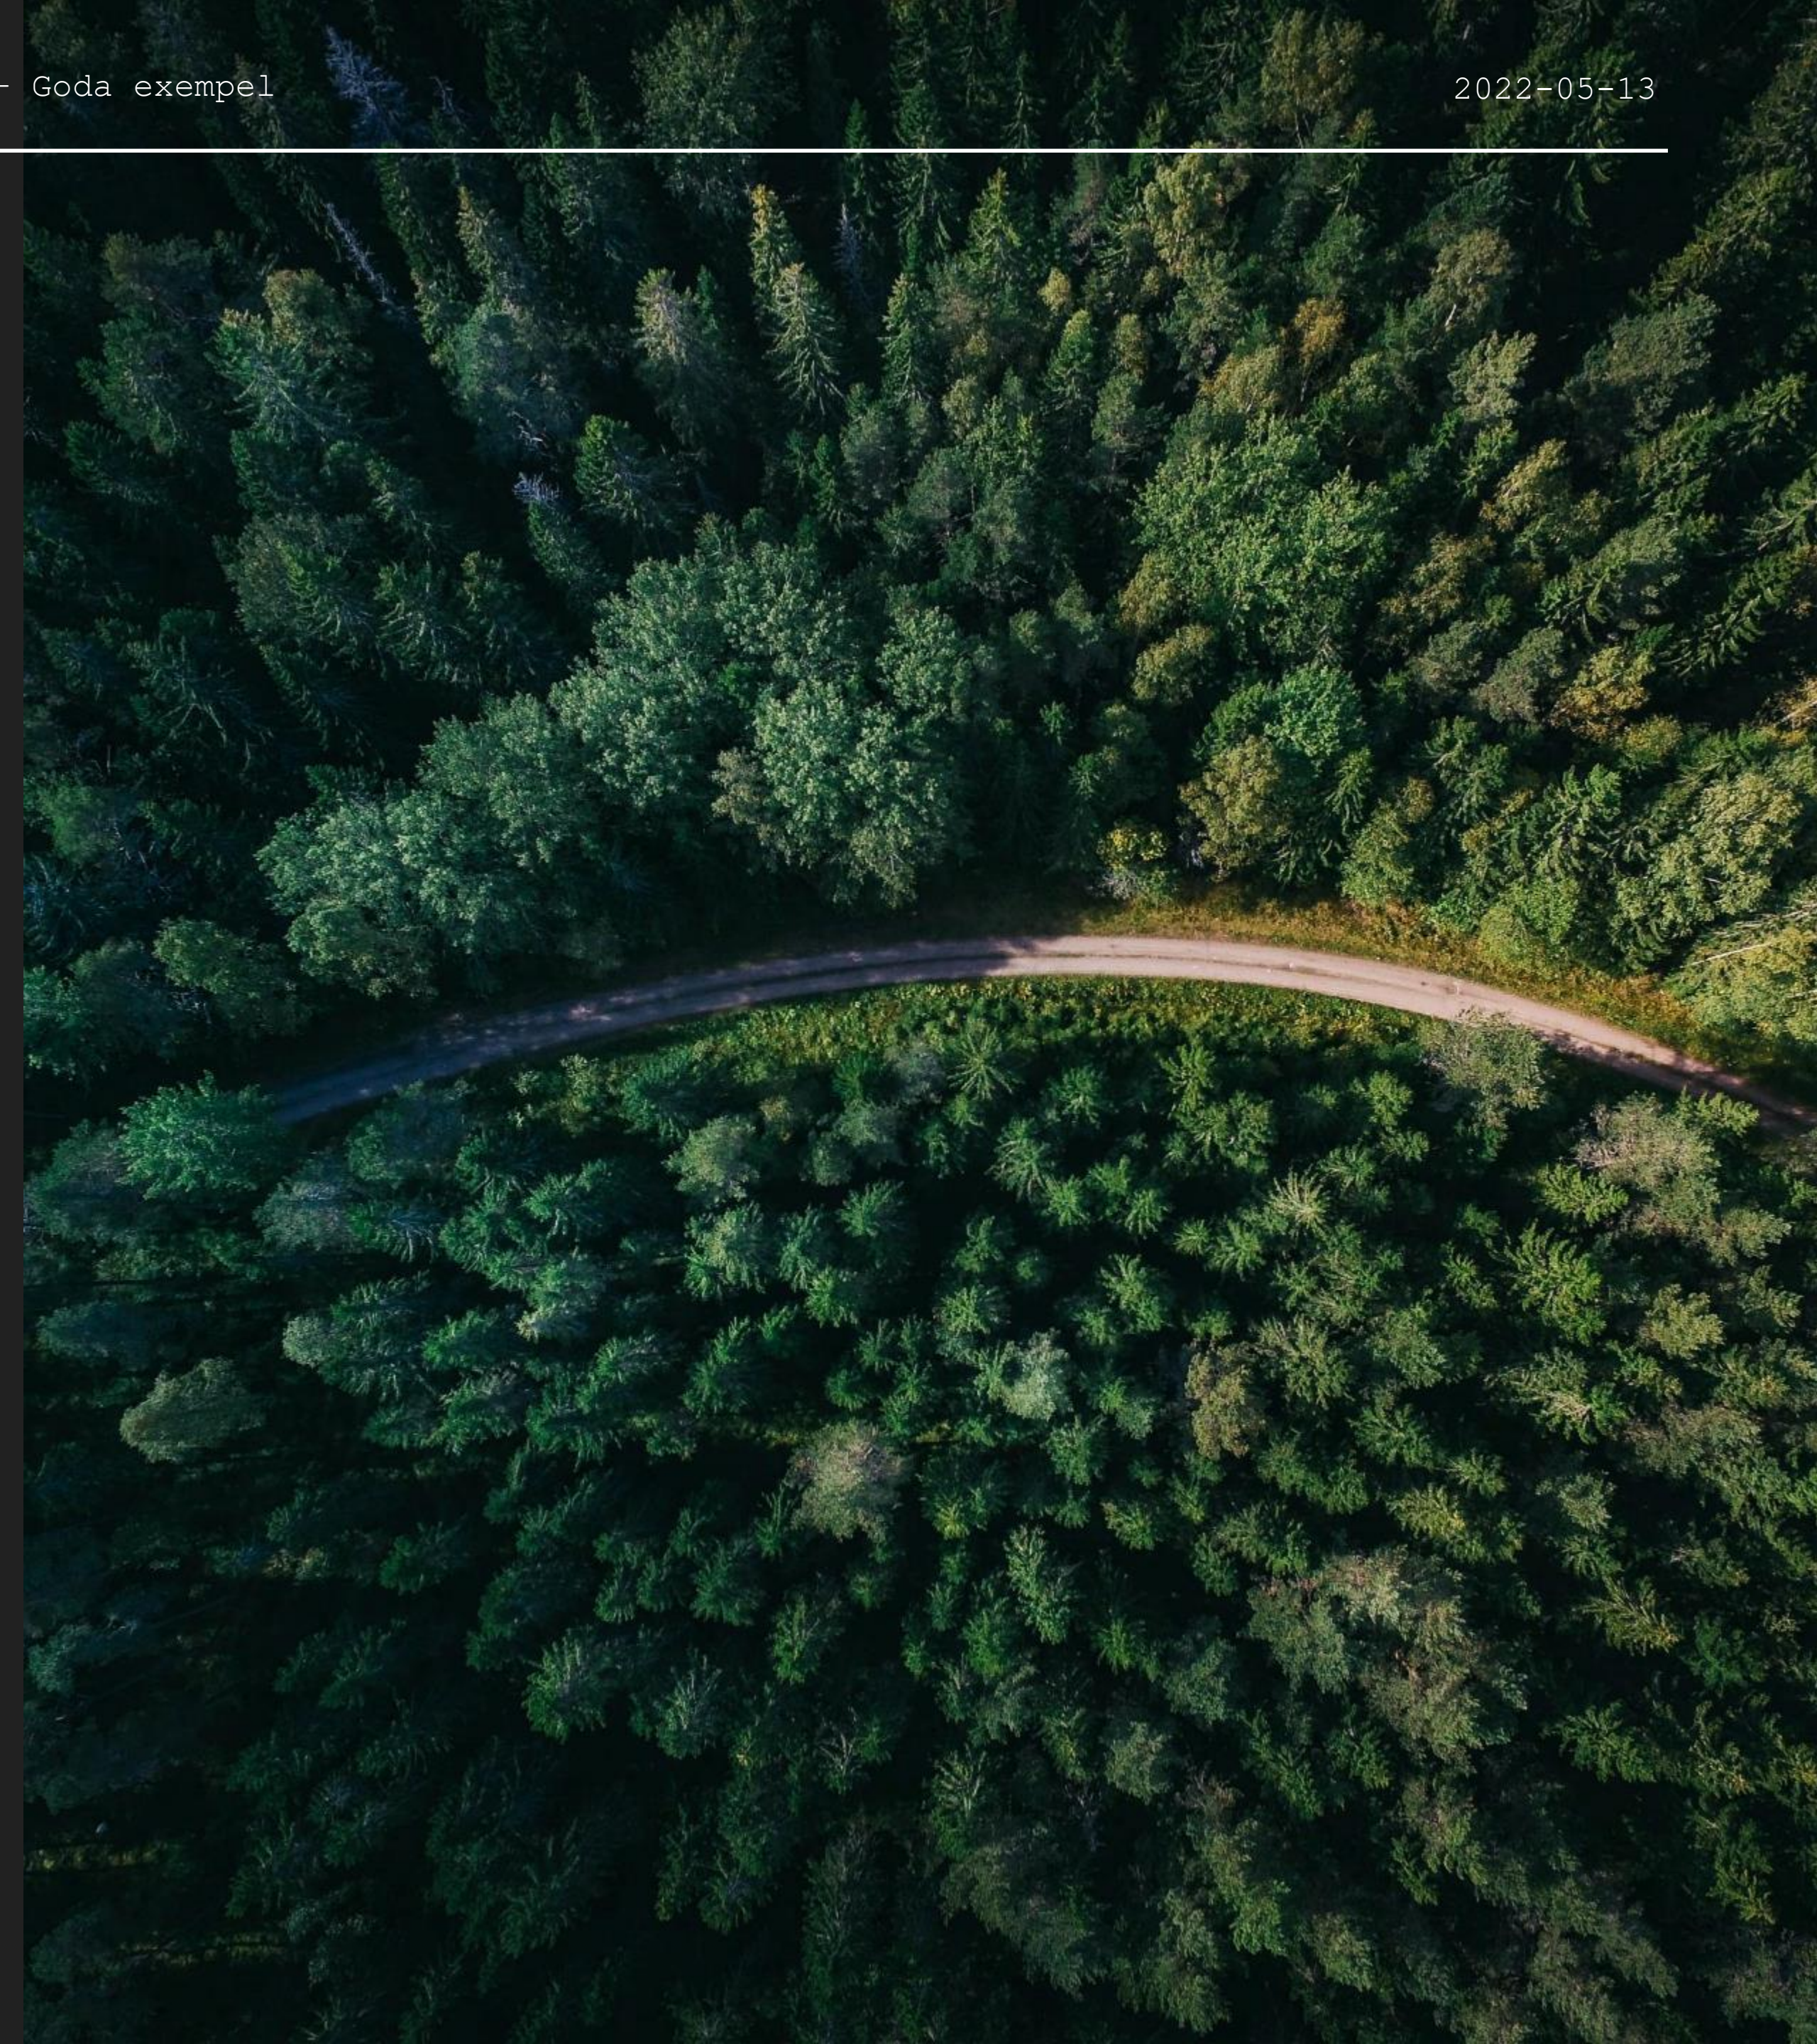

- › En otrolig resa
- › Har fått forma min egen roll
- › MTEK som arbetsgivare

# En hållbar framtid - tillsammans

- › MTEK jobbar med framtiden
- › Vi investerar lokalt, i Region Gävleborg
- › På MTEK står människan i centrum
